

Financial security

how long you have been a member of the

Tax relief

Contributions to the scheme are tax free, bringing down the cost of membership.

The NHS Pension Scheme continues to be one of the most comprehensive and generous schemes in the UK and is a key part of the reward offer for employees in the NHS.

Future proof

Your pension benefits increase each year during your retirement to help keep up with the rising cost of living.

Support from your employer

Family protection

The scheme provides valuable protection for your family, including life assurance and a pension if you are too ill to work
