

Recruitment Profile

Job Title: Sub-Speciality Training Lead, Musculoskeletal Imaging – East of England Virtual Imaging Academy

About the Job

This is an exciting opportunity to contribute to the development of the new East of England region's Virtual Imaging Academy, working to create learning material, courses and assessments in the field of Musculoskeletal Imaging.

The East of England Imaging Academy is keen to develop the capacity in region to provide medical trainee learning for imaging and look to expand the region's capacity for service delivery in this area; equipping nurses and AHPs with the required skills to support the medical workforce.

The role of Sub-Speciality Training Lead is to work with and support the Academy Development Lead, the Postgraduate Dean and the Regional Team in leading the delivery of the Diagnostic Academy structure and operating model.

The successful candidate will be passionate about the delivery and management of imaging education and training in the East of England and a leading expert in the field.

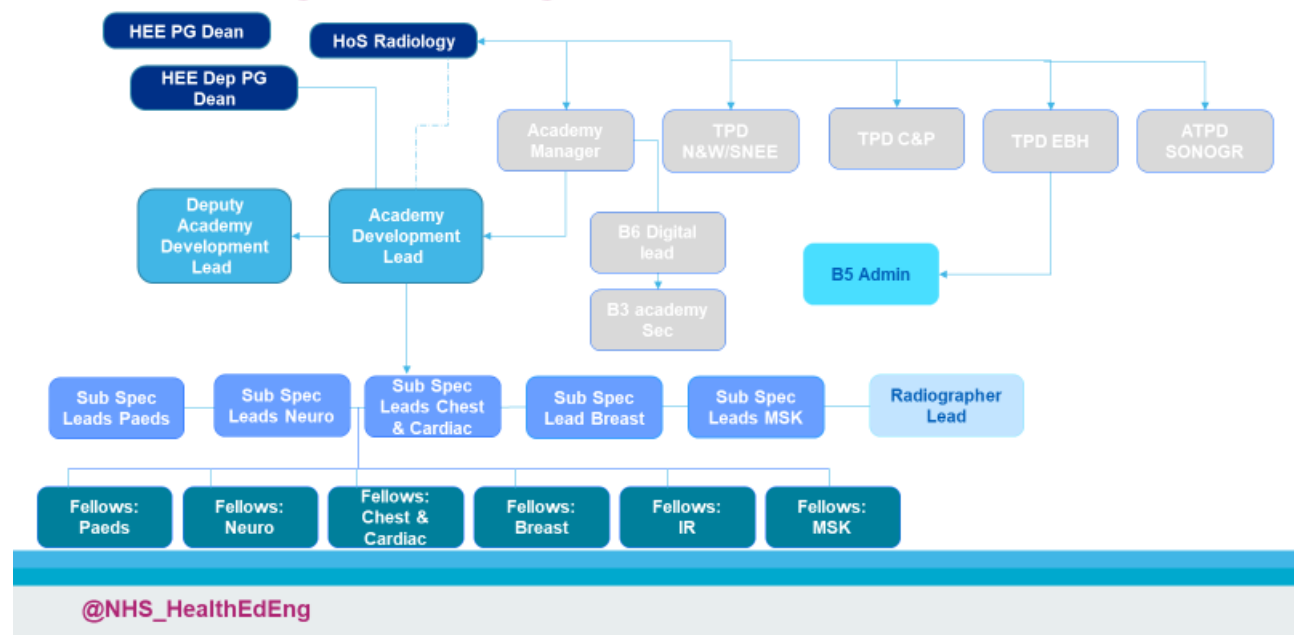

The post holder will promote and strengthen the practice of lifelong learning along the professional development continuum from qualification to retirement.

The successful candidate will show an understanding of important contribution made by all members of the multi-

Organisation Structure

NHS England (WT&E) – East of England is responsible for the commissioning, contracting and quality management of healthcare workforce education in the east of England (covering the counties of Bedfordshire, Cambridgeshire, Essex, Hertfordshire, Norfolk and Suffolk).

Delivery Faculty Structure

Reports to: Academy Lead, East of England Imaging Academy & Postgraduate Dean

<p>professional health care team, including support staff as well as clinicians.</p> <p>They will be committed to the development of the current and future imaging workforce and demonstrate strategic thinking and innovative problem solving when approaching the complex challenge of delivering multi-professional education. This will need to be done in partnership with colleagues from the NHS E East of England Diagnostics team, particularly their Clinical and Transformational Imaging Leads.</p> <p>The successful candidate will support and provide guidance to a number of different groups to ensure high quality delivery of imaging training, both medical and clinical.</p> <p>A Sub-Speciality Training Lead / speciality Training Programme Director (TPD) is a member of the Speciality Training Committee (STC) who is managerially responsible to the Postgraduate Dean for the delivery of training in that speciality according to the standards set by the GMC and the Royal College of Radiologists. The demands on TPDs are likely to vary at times and the guidance below should be interpreted flexibly.</p> <p>The post is professionally and managerially accountable to the East of England Regional Postgraduate Dean.</p>	<p>Tenure: One year fixed term secondment (may be extended subject to review)</p> <p>Employment: The post holder will be on a secondment agreement with their host employer</p>
<p>About Us</p> <p>NHS E (WT & E) provides leadership for education and training in the system. It ensures that the shape and skills of the future health and public health workforce evolve to sustain high quality outcomes for patients in the face of demographic and technological change. We ensure that the workforce has the right skills, behaviours and training, and is available in the right numbers, to support the delivery of excellent healthcare and drive improvements through supporting healthcare providers and clinicians to take greater responsibility for planning and commissioning education and training.</p> <p>Our ambition is to be the best organisation of our type in the world by living our values every day.</p> <p>Our Core Values are that everyone feels valued and respected and are included and involved in everything that affects them; are trusted to make decisions with clear reasons in order to be empowered to deliver; are committed to clear, effective communication, which is transparent and open when sharing information; takes pride and has integrity in everything we do and recognises that everyone has a significant contribution whilst taking personal responsibility and accountability for actions and behaviours.</p>
