

Advert band 5

Are you going to be starting your career in dietetics or looking for a change? Consider working in Northamptonshire for Northamptonshire Healthcare NHS Foundation Trust, who have received an outstanding rating from the Care Quality Commission.

We are a diverse service and have an enthusiastic dietetic team which covers the whole of the county. This includes working with the University Hospitals of Northamptonshire (Northampton General Hospital and Kettering General Hospital) where we work in a range of clinical areas and also input into a range of primary care services. We have specialist roles in paediatrics, renal, diabetes, weight management, stroke, oncology, critical care and nutritional support, home enteral feeding and prescribing to support your role development and you will have the opportunity to be involved in student training. We are keen to provide development opportunities for our band 5 dietitians to progress their dietetic career journey and as a trust we proactively promote your wellbeing.

We are very accessible by rail and road so take a look at what we can offer. We have bases at Northampton General Hospital and Kettering General Hospital. Interested? Please contact Alison.Scott@nhft.nhs.uk or phone 07732 405715 for more information and to discuss what your role could look like now and in the future!
