

Directions to Priestley Wharf

By car from the M6 motorway

Leave the M6 at Junction 6 and follow the A38 Aston Expressway towards Birmingham City Centre.

Take the second exit signposted 'Ring Road' up to Dartmouth Circus traffic island. Take the second exit off the island to follow the bus lane and proceed approximately 100 metres to turn second left into Aston Street.

At the next junction, go straight on to Holt Street and take an immediate left up the ramp into 3 Priestley Wharf visitor car park.

If you require visitor parking it is essential that you pre-book a space in advance by calling 0121 466 7005.

If no visitor parking spaces are available, there is alternative space in the underground parking at Faraday Wharf, accessible from Love Lane (Note that this is a pay and display car park).

When leaving Priestley Wharf to access the M6, turn right onto Lister Street and then left onto Dartmouth Middleway back to Dartmouth Circus traffic island. From here follow the signs for the M6.
