

## **Working at the L&D: Information for Disabled Applicants**

The Luton & Dunstable University Hospital NHS Foundation Trust is committed to the employment and career development of people with disabilities. We are an equal opportunities employer and welcome applications from people with disabilities.

We therefore guarantee an interview to anyone with a disability whose application meets the essential criteria of the Person Specification for the post they are applying for.

### **How do I apply under the Guaranteed Interview Scheme?**

If you meet the essential criteria described in the person specification and you consider yourself to have a disability, you can apply by simply ticking 'yes' to the question on the application form that asks 'Do you qualify under the guaranteed interview scheme?'.

It is also helpful if you can inform us of any assistance you may require at the interview.
