Sara Marsh (Ward Manager KDM) Contact details: sarahmarsh1@nhs.net

## Welcome to East Kent Hospitals

Kings C1 is a 27 bedded, mixed Trauma Ward, specializing in hip fractures of our older patients giving a mixture of Surgery and Medicine. Our patients, admitted through Accident and Emergency, are frail and vulnerable and require the care of professionals who are dedicated and understanding of their complex needs.

The Ward is busy rewarding and exciting and will provide excellent experience for anyone interested in surgical nursing. Our patient turnover is high and discharge planning is paramount to our success.

We offer a full package of benefits, including a car lease scheme; on-site childcare; generous annual leave in line with NHS terms and conditions; high street and public transport discounts; a 24/7 staff support service - and the little things that make life easier, like on-site Amazon lockers and fresh fruit and veg stalls.

### About us

We are one of the largest hospital trusts in England, with three acute hospitals and community sites serving a local population of around 700,000. We also provide specialist services for Kent and Medway.

We care about our patients and our people. We are focused on providing outstanding, safe patient care, and a positive working culture that benefits staff and patients alike. With our emphasis on staff training and development, a staff support scheme that's second to none, and a healthy package of benefits, it's easy to put down roots in East Kent Hospitals.

# Registered Nurse

## Role specific duties

Provide professional leadership, advice and guidance to junior nurses and healthcare assistants and foster collaborative partnerships with other disciplines. Communicate effectively with patients and their relatives, ensuring accurate and seamless information is conveyed and documented. Assist in the maintenance and monitoring of agreed standards, ensuring that any shortfall is brought to the attention of the line manager.

Ensure that all quality initiatives within the nursing environment are adhered to and that the highest standards of care are maintained at all times. Assist in the development of clinical protocols ensuring that these are reviewed in accordance with the needs of the service in conjunction with the Ward/Unit manager

Ensure that accurate and legible patient records are kept in line with professional and legal requirements. Promote and maintain effective working relationships and communications with consultants, medical staff, nurse colleagues and other multi-agency professionals.

Provide professional leadership, advice and guidance to junior nurses and healthcare assistants and foster collaborative partnerships with other disciplines.

Assist in the maintenance and monitoring of agreed standards, ensuring that any shortfall is brought to the attention of the line manager.

Ensure that all quality initiatives within the nursing environment are adhered to and that the highest standards of care are maintained at all times.

Assist in the development of clinical protocols ensuring that these are reviewed in accordance with the needs of the service in conjunction with the Ward/Unit manager

Ensure that accurate and legible patient records are kept in line with professional and legal requirements.

Promote and maintain effective working relationships and communications with consultants, medical staff, nurse colleagues and other multi-agency professionals.

## Clinical

Undertake nursing assessments competently.

Act as the identified nurse for a group of patients by assessing, planning, implementing and evaluating their care.

Supervise more junior members of staff in giving and maintaining high standards of care.

Regularly take charge of the ward in the absence of a more senior member of staff.

Demonstrate leadership in supporting the patient pathway.

Act as the patients' advocate.

Liaise with all members of the multidisciplinary team

Participate in taking an active role in planning effective, timely, and safe discharges.

Be clinically competent in all areas of advanced practice relevant to the post.

Work in accordance with the Health Act (2006) and comply with national and

local infection control policies and procedures and any other related infection prevention policies or procedures.

### **Research and Training**

Assist in developing a research and evidence based approach to all nursing practice linking with Trust-wide colleagues.

Seek opportunities to create changes, which will enhance standards of care and practice.

Help to facilitate the development of reflective practice.

Participate in research projects within the ward/unit

Participate in the development and delivery of appropriate training materials / programmes to promote professional development.

Provide training and support to new and junior staff in accordance with Trust policies and procedures.

Act as mentor to student nurses and / or NVQ assessor

### **Quality**

Implement and promote nursing standards within the Serious about Standards' programme linked to Essence of Care, share with patients and welcome patient feedback.

Take part in regular audits of nursing standards and practice.

Take a lead role in monitoring the quality of care in your local area.

Assist in the investigation and resolution of complaints in relation to patient care, reporting to the ward/unit manager

Monitor all aspects of clinical governance locally including clinical incident reporting.

Regularly assess and act on the views of patients, relatives and staff about the standards of care experienced by recipients of the service.

### **Management**

Remain 'cost aware' and utilise equipment and resources in a cost-effective way.

Make recommendations where it is evident that appropriate changes may improve efficiency.

Be aware of the sickness / absence control procedures and participate in any initiatives to reduce sickness absence.

Participate in department meetings when required and join the 'exchange of information' necessary to be involved in decision making processes at the relevant level.

Keep abreast of relevant information which may affect your area of responsibility and act as a resource for other members of the team, acting as a link nurse where appropriate

Act as an innovator for the department to facilitate the provision of a flexible and responsive nursing service.

### **Personal Development**

To keep abreast of current professional issues and maintain the knowledge and skills necessary to perform your role effectively.

Develop and maintain a professional portfolio

Ensure compliance with professional expectations as outlined in the NMC Code of Professional Conduct.

To participate in an annual appraisal with relevant reviews and to follow your personal development plan as agreed with your line manager.

## Your commitments

We are focused on providing outstanding, safe patient care, and a positive working culture that benefits staff and patients alike. This is why we ask you to:

- maintain the confidentiality of information about patients, staff and other health service business and adhere to data protection law
- comply with the Trust's policies and procedures, including infection prevention and control, risk management, health and safety, safeguarding children and adults, financial management and use of resources
- act at all times in accordance with the professional Codes of Conduct and Accountability relevant to your role
- participate in annual mandatory training.

We are a smoke-free Trust, and offer staff support to stop smoking.

## Values

We care about our values of caring, safe, respect and making a difference. We'll ask you to

demonstrate these values during the recruitment process and throughout your appointment – and you can expect us to do the same.

## Living and working in East Kent

Our large district general hospitals, specialist units and community sites provide a vibrant and diverse working environment with the extensive opportunities and teaching facilities you would expect of a large trust.

East Kent offers stunning countryside, beautiful beaches and charming places of historic interest, with easy access to London. With excellent schools, a wealth of leisure facilities and easy family days out on your doorstep, alongside beautiful and affordable housing stock, the perfect work-life balance couldn't be easier to achieve.
