### Consultant – Flat availability rate for on-call from home.

Flat Availability rate for NROC from home	Hourly rate of pay	Hourly Annual Leave (WTR) rate of pay	Totally hourly rate of pay
Consultant	£45.00	£5.43	£50.43

If a Consultant is covering a bank on-call non-residential shift from home, they will receive the 'Flat availability hourly rate' for that on-call duty. If during the on-call period they are called back into work, then the appropriate 'Core' or 'Non-Core' bank hourly rate will apply instead, as detailed above in Table 1 and 2, for those specific hours worked.

The above rates may be subject to change.
