

## **Radiology at Maidstone and Tunbridge Wells Hospitals NHS Trust**

Our Busy Radiology departments support Inpatient and Outpatient services, and busy A&E departments and a variety of theatre work. Our rooms contain DR equipment and Digital mobiles are in use for mobile ward work. The departments comprise of various modalities including CT, MRI, Ultrasound, General and Trauma X-ray, Nuclear Medicine, DEXA, Cardiac and Interventional Radiology.

If you are looking to work in a department that is the heart of the hospital, whether you are a qualified Radiographer, possess the key administrative skills or would like to explore our excellent connections with Canterbury Christchurch University, then please take a look at our vacancies!

This is an exciting opportunity to join our diagnostic team as we strive for continued excellence and improvement in all areas

New members of staff will find themselves welcomed into a vibrant and friendly department that has an attitude of inclusivity. Both sites have an active social group comprising staff from all levels who meet regularly to socialise after the stresses of the day.

We also have strong links to Canterbury Christ Church University, to whom we provide clinical placements for radiography students.

**Would you like to Return back to Practice? We can support you in doing so, please ring to discuss the options.**
