In joining the Waltham Forest Directorate, you would become part of a thriving and ambitious group of consultant medical staff who take pride in the services we provide and where there is excellent collaboration between staff of all disciplines and managerial leaders to maintain and improve the quality of our services. Your training and professional development would be prioritised, and we would support you to have an enjoyable and fulfilling career.

You will be expected to:

- Work as part of multidisciplinary teams providing care to adult people with mental health needs, across southern Havering and Dagenham.
- Provide senior medical support and guidance to the team
- Work directly with adults and their families and liaise as appropriate with other external adult mental health providers and acute hospitals
- Participate in the on-call rota frequency is currently 1:50, with a 3% of basic salary, Category A on-call supplement (pro-rata).
- Support your peers and team leader, and be an effective team member whilst allowing them to work with their own initiative
- Work alongside 2wte consultants, a 0.6wte Specialty Doctor, 0.2wte Senior Trainee and 1wte Core Trainee
- Commit to collaborative working, actively supporting and liaising with other health and social professionals, and agencies.

To be successful in your application, you will need:

- To demonstrate that your values are in line with that of NELFT's values,
- To be innovative, motivated, and passionate about Adult mental health care,
- Essential understanding of current developments in mental health care,
- To be a team player
