

Job Description

Role Title:	Rotational Midwife
Band:	6
Contract:	Permanent
Responsible to:	Ward Manager
Accountable to:	Modern Matron/Consultant Midwife
Location:	UHCW

Our Vision, Values and Behaviours

At University Hospitals Coventry and Warwickshire (UHCW) NHS Trust our vision is to be a national and international leader in healthcare, rooted in our communities. Our Organisational Strategy *More than a Hospital* (2022-2030) was shaped by the views of our staff, patients and stakeholders and sets a clear plan for improvements in healthcare.

We aim to deliver the best care for our communities, being exceptional in everything we do. We do this by providing proactive, joined up support for local people and we deliver specialised services for those with the most complex health conditions. We set out to create the best experiences for our staff and work positively in partnership with other organisations to achieve the best healthcare outcomes.

Our vision and purpose are underpinned by a clear set of values that reflect the culture we want to create: *Compassion, Openness, Pride, Partnership, Improve, Learn and Respect*. Developed by our staff, our seven values guide what we do daily. Whatever our role or level, we commit to uphold these values as we work together to deliver world class care.

Net Zero and Sustainability.

UHCW NHS Trust, by virtue of its Green Plan, is committed to ensuring that the way we provide services minimises the impact on the environment and the future health of the public e.g. zero waste to landfill, reducing our carbon footprint and increasing our recycling and reuse percentages.

Job Summary

The primary aim of the role is to ensure that a high quality service is delivered to women and their families. The Midwife will plan within the integrated role to deliver and evaluate the care of the women and their families in the antenatal, intrapartum and postnatal period in which ever setting that occurs in. This includes inpatient, outpatient and community. The post holder will practice in accordance with the NMC code of practice.

The role is multidimensional and requires the post holder to integrate and fulfil all the identified criteria. Having successfully introduced a Continuity of Carer Integrated team's model, the post holder will have the opportunity to work flexibly within both the Community and hospital setting, enabling the women of Coventry and Warwickshire to receive high quality continuity care. Working within this model enables the post holder to maintain clinical skills and expertise in all areas of Midwifery ensuring a safe service. By following this model will encourage autonomous practice and career progression.

The Midwife will co-ordinate the ward/area as designated, in support of, or in the absence of the Ward Manager/Team Leader. University Hospitals Coventry and Warwickshire are an innovative and forward-thinking trust with optimum opportunities to progress in your career

Main duties

As part of our commitment to patients and delivery of a world class service for all we have created the UHCW Improvement (UHCWi) System in partnership with the Virginia Mason Institute in Seattle; this involves a structured approach to removing waste and putting the patient first using a lean management system and methodologies. Our culture and ways of working reflect and embed the practices and methodologies of UHCWi. You are expected, where identified, to attend and complete relevant training and development opportunities to support this. This may include Lean for Leaders, Advanced Lean Training, and the Human Factors Programme, amongst others. Full attendance and completion of identified courses is considered essential and a pre requisite for this post.
