

Clinical Nurse Specialist – Safeguarding Children Band 7

An exciting opportunity has arisen for an experienced practitioner to join our established safeguarding team and work alongside the Named Nurse and Named Midwife for Child Protection at the Royal Berkshire Hospital Foundation Trust.

You will be responsible for supporting staff in all areas where child safeguarding issues arise. Delivering safeguarding supervision and training to our staff to promote the health, safety and well-being of children in Berkshire West. You will be an active member of the multi-disciplinary partnership that works to safeguard children across Berkshire West and represent the voice of the child in various multi agency forums.

You will need to be a highly motivated and forward thinking individual who enjoys working in a team. The successful candidate will need to demonstrate a sound and current knowledge base of child protection have excellent communication and teaching skills. The role will require you to have an ability to promote client care and safety, to ensure appropriate governance and safeguarding processes are undertaken to the highest standard.

The role will involve you working independently and under pressure. Professional support, supervision, advice and development is available.

For more information, please contact Annette Shore (Named Nurse Child Protection) 0118 3228046.
