# Welcome

Chelsea and Westminster Hospital NHS Foundation Trust is proud to be one of the top performing and safest trusts in England.

We have two main acute hospital sites—Chelsea and Westminster Hospital and West Middlesex University Hospital, plus our award-winning clinics across North West London and beyond.

- We employ over 7,000 staff and 500 volunteers
- We treat someone in A&E every 90 seconds
- We deliver a baby every 50 minutes
- We operate on a patient every 16 minutes
- We do 50 imaging procedures each hour
- We serve a diverse population of 1.5 million from the beginning to the end of life

## Our values

Our PROUD values demonstrate to staff, patients and the public the standards of care and experience they should expect from our services:

- **P**utting patients first
- **R**esponsive to patients and staff
- **O**pen and honest
- **U**nfailingly kind
- **D**etermined to develop

## Job summary

<b>Job title</b>	Paediatric Sister / Charge Nurse
<b>Band</b>	Band 6
<b>Division</b>	Emergency and Integrated Care
<b>Responsible to</b>	ED Senior Sister / Charge Nurse
<b>Accountable to</b>	Matron
<b>Type of contract</b>	Permanent
<b>Hours per week</b>	37.5
<b>Location</b>	Chelsea and Westminster Hospital

The Sister/Charge Nurse is expected to support and lead staff within the Paediatric Emergency Department. This role carries the continuing responsibility for the management of the department, as delegated by the Matron, together with the provision of a 24 hour expert paediatric emergency nurse service.

As a senior member of the nursing team you will be expected to deliver a high standard of nursing care based on the theory of family centred care. You will be expected to act as a role model and work with the multidisciplinary team within the directorate ensuring that a high standard of holistic care is maintained for all children and their families.

You will be expected to assist senior nursing staff with management requirements ensuring that a quality service is maintained. You will be expected to participate in education throughout the unit and hospital and ensure quality is maintained.

## **Key responsibilities**

The Sister/Charge Nurse will be responsible for;

- The assessment of care needs and the development, implementation and evaluation of programmes of care as part of the multi-disciplinary team from admission to discharge using research based practice.
- The delivery of care in accordance with the regulatory body's code of practice and the Trust's and ED policies and protocols. To be aware of the organisational and nursing strategy.
- Ensuring safeguarding concerns are escalated and acted upon promptly and appropriately.
- Participation with Quality Improvement; auditing effectiveness and incorporating findings into practice.
- Participation in the Trust's achievement of quality and financial targets, locally and nationally driven.

## **Key working relationships**

- Senior Sister/ Charge Nurse
- Medical team
- OT/Physio
- CAMHS/Psych liaison team
- Paediatric team
- Management team
- Support team
- Admin and Reception
- UCC

## Roles and responsibilities

- To acquire competency in basic nursing skills for ED.
- Assess, plan, implement and evaluate care given to patients.
- Maintaining high standards of patient care.
- To liaise closely with social services, health visitors and ward staff to ensure the safety and wellbeing of children seen in ED when required.
- To work effectively within the multi-disciplinary team in order to ensure safety of patients and achieve desired outcomes for patients and their families.
- Be proactive in maintaining local and national Quality Indicators for ED.
- To ensure the accurate documentation of patient care in notes.
- To assist in the admission, transfer and discharge of patients in accordance with local policy.
- To participate in research/quality improvement projects/audits as requested by the Operations Manager/Lead Nurse.
- To participate in the developing and monitoring of standards of care and other quality initiatives in a positive manner.
- To maintain awareness of and comply with Trust policies and protocols at all times.
- To provide leadership that promotes a patient focused approach to care.
- To encourage and support junior staff in professional growth; acting as a role model for junior colleagues and mentoring students as appropriate.
- To develop personal and professional leadership skills and be proactive in problem solving.
- Take responsibility for one's own actions and encourage the same amongst others.
- Be active in creating and maintaining a harmonious working environment.
- To fulfil the role of the departmental triage nurse, utilising advanced skills of assessment, prioritisation, decision-making, risk management and communication skills.
- To have responsibility for the security and maintenance of equipment belonging to the Emergency Department. Help to ensure that all equipment is in safe working order in conjunction with the Lead Nurse.
- Actively developing and improving the services we provide.
- Ensuring patient safety at all times.
- Ensuring safe clinical practice amongst the MDT at all times.
- Never undertaking practice that you do not feel competent in.
- Respond to incidents and complaints as they arise, reporting to senior staff.
- Embrace and encourage change in clinical areas/hospital Trust.
