Job Title:	Community Nurse Practitioner
Band:	5
Division/ Service:	Community Care Division - ICRAS
Accountable to:	Clinical Services Manager
Responsible to:	Operational Lead

JOB OUTCOMES

As a result of the post-holder being effective in their role, The Trust would expect to see the following outcomes for the Trust, service users and the wider community:

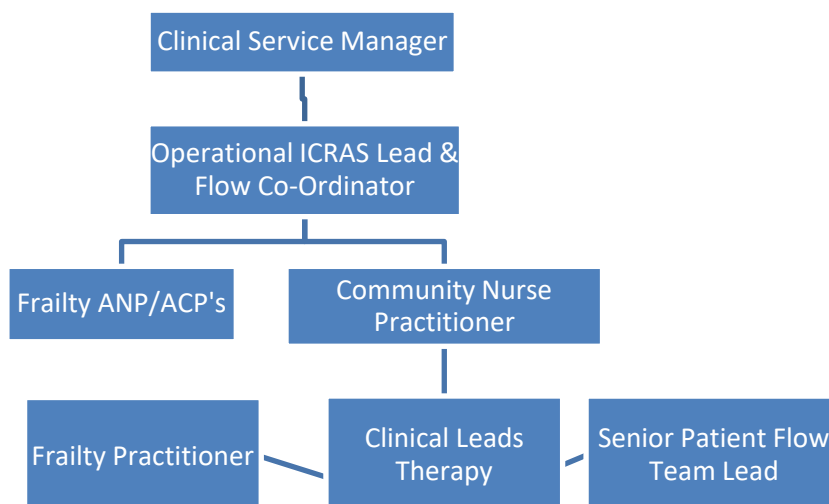

1. Mersey Care NHS Foundation Trust as a leading provider of community services, mental health care, physical health, addiction services and learning disability care.
2. Service users receiving a high-quality service and one which is free from stigma, discrimination and harm.
3. Staff engaged with the delivery, innovation and continuous improvement of services to benefit service users.
4. Visible and responsive leadership, setting the standard for others and role-modelled throughout the division for all managers.
5. The Trust values of Continuous Improvement, Accountability, Respectfulness, Enthusiasm and Support will be embedded across the division for all staff and evident to service users.

JOB PURPOSE

The post holder is responsible for the delivery of clinical care to a defined population. Supported by senior practitioners, they will deliver care within the boundaries of their role. They will work effectively and collaboratively within the team to meet the needs of patients, support the delivery of policy and procedures, and provide clinical leadership.

Ensure the delivery of the quality strategy within the designated area incorporating establishment of systems and processes.

ORGANISATIONAL CHART

32. Act as an assessor to students assessing competency against set standards as requested if appropriately qualified.
33. Accept and delegate tasks appropriately.
34. The post holder shall as necessary provide cover for and undertake duties of absent colleagues.

GENERIC RESPONSIBILITIES FOR ALL STAFF

All post holders will agree to:

- Commit to the vision of supporting Mersey Care in becoming a leading organisation in the provision of community services, mental health care, addiction services and learning disability care, and in doing so fully utilise their skills and experience to support the objectives of the Trust.
- Role model the values of the Trust – Continuous Improvement, Accountability, Respectfulness, Enthusiasm and Support– in all activities and interactions with employees, service users and other stakeholders.
- Challenge the stigma associated with mental health and learning difficulties.
- Comply with the Duty of Candour, defined by Francis as: 'The volunteering of all relevant information to persons who have or may have been harmed by the provision of services, whether

or not the information has been requested and whether or not a complaint or a report about that provision has been made.'

- Work across professional and organisational boundaries to improve services for all.
- Maintain their specific knowledge base and develop new skills.
- Value the contribution of the patient/ service user voice.
- Operate within any organisational codes of practice or those from a relevant professional body.
- Respect equality and diversity across all areas of working practice and communications with staff, service users and other stakeholders.
- Take responsibility for the accurate and timely collection and recording of data and ensuring all personally identifiable information is protected and used only for the purposes for which it was intended.
- Comply with all health and safety legislation and local policies and procedures.
- Adhere to all organisational policies.
- Have knowledge and understanding of technology in the workplace which is sufficient to maintain their efficiency and also how technology can empower service users in a digital environment.
- Comply with the NHS Constitution in relation to the staff responsibilities that it sets out for NHS employees.
- Attend a one day Just and Learning & Civility and Respect training workshop.
- Be an ambassador for Just & Learning and Civility & Respect following the training.
- Positively advocate the just and learning culture within your team.
- Be a confident supporter and implementer of the Trust CARES Values including Civility & Respect within your team.
- Support their team/ services to create a positive environment for Just and Learning Culture.
- Participate in Just and Learning Culture events.
- Bring Just and Learning Culture updates/ information to the attention of team members and other MCT colleagues they work with.
- Support and encourage the sharing of concerns about the safety and quality of care with senior leaders with the aim of improving safety and quality.
- Actively participate in creating an open culture within your team so that concerns and difficulties can be discussed safely and respectfully.
- Speaking up in the event that they are exposed to incivility between colleagues in the workplace #iwillspeakup.
- Listening and understanding others who have concerns and taking a collaborative approach to work towards a solution to improve civility and respect.

This job description is intended as an outline indicator of general areas of activity and will be reviewed in light of the changing needs of the Trust in consultation with the postholder.
