BAND	6
RESPONSIBLE TO	Band 7 Occupational Therapist – PCN OT Lead Reporting to Recovery College Manager
ACCOUNTABLE TO	Associate Director AHP
BASE	REACH Recovery College (based from Rochford Site)
HOURS OF WORK	37.5

ROLE SUMMARY

Working for EPUT NHS Foundation Trust, the post holder will assist with the transitioning of care from secondary mental health services to Reach Recovery College, linking secondary and primary care services. In partnership with Recovery College, the Occupational Therapist will develop and provide specialist bio-psycho-social educative programmes for Recovery College.

KEY RESPONSIBILITIES CLINICAL

Clinical Duties:

- To enable students, through discussion, to identify within their Individual Learning Plans (ILP) appropriate courses that meet their functional needs.
- To develop and deliver recovery focused courses in co-production It is the post holders duty to ensure that students are integral in the co-design and co-delivery of all aspects of the Recovery College
- In liaison with colleagues within local mental health teams, identify potential students for the continuation of their recovery journey within the recovery college, assist with the transition process.
- To manage a transitioning caseload, communicating agreed transitional plans to multi-disciplinary team colleagues and partnership agencies, liaising with them at formal and informal meetings (eg MDT meetings), ensuring a smooth transfer of care through agencies
- To work in collaboration with others to facilitate the modification of aspects of the environment in order to empower students and facilitate optimal functional performance

WE CARE. WE LEARN. WE EMPOWER.

- To apply a variety of treatment modalities to meet the needs of current and prospective students, to co-develop and co-deliver courses utilising clinical reasoning processes to determine the most appropriate setting for intervention. To co-deliver courses on a face-to-face, virtual or hybrid delivery style, as determined by need/appropriateness.
- To regularly review student's progress in order to evaluate and interpret effectiveness of recovery plans
- To ensure that intervention offered is based on the best available evidence for effectiveness in the specialist area where it is applied
- To develop and initiate interventions based on the integration of theoretical knowledge in order to meet unique student needs
- To keep up to date clinical records as necessitated by EPUT and Recovery College in line with professional standards and local record keeping policies
- To provide written and verbal reports as required at any stage in the treatment process in line with Occupational Therapy Clinical Governance Standards and supporting the data collection around the impact of the delivery of service for both Recovery College and EPUT

- **Indirect Clinical Duties:**

- To develop and -deliver a wide range of workshops/courses on behalf of EPUT for REACH
- To attend relevant clinical case discussions and meetings
- To participate in audit, research and evidence based practice
- To undertake day to day clinical prioritisation and work planning
- To identify and regularly review service provision alongside partners
- To promote the roles and skills of Occupational Therapy
- To contribute constructively to multi-agency team working, giving guidance and direction in the delivery of courses

- **Profession Specific Duties:**

- To attend professional Occupational Therapy /Recovery College meetings as required
- To take responsibility for developing as a professional
- To maintain a continuing professional development portfolio to ensure HCPC registration
- To contribute constructively to the supervision process
- To provide supervision to junior staff and students
- To occasionally represent the Occupational Therapy profession at service development forums
- To comply with policies and agreed procedures for annual leave, sickness and time owing
- To supervise a minimum of one student per year

ADDITIONAL DUTIES

In addition to the above duties you will also be expected to perform the below key activities in line with your job role;

- Complete mandatory training in line with Trust policy and procedures

WE CARE. WE LEARN. WE EMPOWER.

- To participate in the staff appraisal process and to undertake for any staff you manage
- To keep yourself updated on all matters relating to Trust policy

ASSURANCE STATEMENT

The purpose of this job description is to outline levels of responsibility and accountability of this post, to ensure that all work undertaken by our staff is identified and lines of accountability are clear.

NHS CONSTITUTION

You are responsible for ensuring that the values outlined in the NHS Constitution are adhered to daily and any matters of concern are raised with the relevant Line Manager or through the necessary processes within the Trust.

WE CARE. WE LEARN. WE EMPOWER.

You are responsible for delivering a compassionate, dignified and respectful service to patients at all times.

DUTY OF CANDOUR

You must adhere to the principles of openness, transparency and the statutory duty of candour in your day to day work and conduct and encourage the same behaviours within the wider organisation.

EQUAL OPPORTUNITIES STATEMENT

The Trust operates an Equal Opportunities Policy and expects staff to have a commitment to equal opportunity in relation to employment, development, training and service delivery.

NO SMOKING POLICY

The Trust is committed to a policy which discourages smoking and prohibits smoking on Trust property and on Trust business outside it.

INFECTION CONTROL

The post holder is accountable and responsible for the prevention of healthcare associated infections by complying with all Infection Prevention & Control policies and procedures in line with legislation (Health Act 2006; Code of Practice for the Prevention and Control of Healthcare Associated Infections.)

HEALTH AND SAFETY

All employees must be aware of the responsibilities placed upon them under the Health and Safety at Work Act (1974) to ensure that the agreed safety procedures are carried out to provide a safe environment for employees and visitors.

GENERAL DATA PROTECTION REGULATION 2018

The General Data Protection Regulation (2018) is to ensure compliance with all Trust policies, and those procedures relevant to the area of work.

The Trust will always seek to process your personal data in accordance with its obligations and your rights.

The GDPR requires that personal data shall be;

- Processed Lawfully, fairly and in a transparent manner in relation to individuals;
- Collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes; further processing for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes shall not be considered to be incompatible with the initial purpose;
- Adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed;
- Kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed; personal data may be stored for longer periods insofar as the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes subject to implementation of the appropriate technical and organisational measures

WE CARE. WE LEARN. WE EMPOWER.

required by the GDPR in order to safeguard the rights and freedoms of individuals; and

- Processed in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate, technical or organisational measures.

All employees must adhere to the Trust's Policy on the Protection and Use of Personal Information which provides guidance on the use and disclosure of information. The Trust also has a range of policies for the use of computer equipment and computer generated information. These policies detail the employee's legal obligations and include references to current legislation. Copies of the Policy on the Protection and Use of Personal Information and other Information Technology policies are included in the Trust's Policies and Procedures Manual/Intranet.

INFORMATION ASSET OWNERS AND ADMINISTRATORS

An information asset is a service user, staff or corporate information/data, processed by us and held in an electronic or hard copy/manual format. An information asset owner (IAO) is a senior member of staff who is the nominated owner for one or more identified information assets within the service/Trust. If you are a nominated IAO you will understand and monitor the following;

- What information assets are held and for what purpose within your team
- How information is created, amended or added to over time
- Who has access to information and why
- Understand and address the risk to the asset, providing assurance to the senior information risk owner in the overall information risk management function
- As an Information Asset Administrator you will ensure you fulfil the following responsibilities
- Ensure that policies and procedures are followed
- Recognise actual or potential security incidents, consulting with IAO's on incidents and management
- Ensuring that information asset registers are accurate and up to date.

PRACTICE ASSESSORS AND PRACTICE SUPERVISORS

As a band 5 and band 6 Nurse you will be responsible and applicable for the following:

As a minimum requirement all clinical band 6's will be expected to undertake the duties of a Practice Assessor for students placed within the trust, and will be able to act as Practice supervisors for students placed within their area of work.

As a minimum requirement all clinical band 5's will be expected to act as Practice supervisors for students placed within their area of work. With the opportunity to also be trained to act as a Practice Assessor for students placed within the trust.

CONFIDENTIALITY

Your attention is drawn to the confidential nature of information collected and used throughout the NHS. The unauthorised use or disclosure of patient, staff or other personal information is a dismissible offence. The unauthorised disclosure of information could also result in a prosecution for an offence, or action for civil damages, under the General Data Protection Regulation.

You are required to observe the strictest confidence regarding any Confidential Information relating to work of the Trust, its patients/clients and its employees.

“Confidential Information” includes but is not limited to information relating to the Trust received by you in the course of your employment with the Trust or its predecessors, information relating to patients, personnel information, budgeting and financial information and information in respect of which the Trust owes a duty of confidentiality to a third party.

You are required not to disclose any Confidential Information either during or after your employment with the Trust, unless expressly authorised to do so by the Trust or required in the proper performance of your duties or as required by law.

This obligation will cease only when such information comes into the public domain other than through unauthorised disclosure by you.

Failure to comply with these requirements could result in action being taken under the Trust’s Conduct/Disciplinary Policy and Procedure.

This obligation is without prejudice to the law concerning protected disclosures in the Public Interest Disclosure Act 1998 (the so-called “Whistleblowers Act”).

RISK MANAGEMENT

All staff working in, or for the Trust have a responsibility for participating in the risk management programme. All post-holders have a responsibility to assess all risks to systems, processes and environment and contribute to the clinical and corporate governance agendas as appropriate.

SAFEGUARDING DUTY

“It is the responsibility of the post holder to be aware of and follow the legislation and guidance regarding Safeguarding Children and Adults as stated in the Trust Safeguarding Policy and the Southend, Essex and Thurrock (SET) Child Protection Guidance. This applies to all staff regardless of which member of the family is the primary client. The post holder is responsible for ensuring they receive the appropriate level of Safeguarding Children training according to their role”.

INFORMATION TECHNOLOGY

It is the responsibility of the post holder to have a level of IT competence relevant to their job role and will be expected to continue to keep their skills up to date as part of their Continuing Professional Development.

WE CARE. WE LEARN. WE EMPOWER.

CHANGES TO THIS JOB DESCRIPTION

Post holders have a responsibility to discuss any significant job changes with their line manager at the time the change occurs and agree any permanent substantial change.

On appointment within the Trust staff may be allocated to a specific area of care. It is however Trust policy to allocate staff to other areas of work within the Trust from time to time where this is in the interest of the individual and / or the service.

The Job Description does not purport to be an exhaustive list of duties and responsibilities. The post holder will be expected to undertake additional duties as the requirements of the post change.
