### Additional information applicable to all posts

#### **Confidentiality**

During the course of your employment, you may see, hear or have access to information on affairs of patients and staff. Post holders may only use information as appropriate to carry out their normal duties.

Post holders must not disclose personal, clinical or commercial information to any unauthorised third party; any such disclosure will be investigated and may lead to disciplinary action and possible dismissal. You must adhere to the Trust Data Quality Policy and be fully versed in the responsibilities outlined for your job role.

These obligations are in line with common law duty of confidentiality, Caldicott Principles. Data Protection Act 2018 Freedom of Information Act 2000.

#### **Equality and Diversity**

The post holder must comply with all Trust policies and procedures designed to ensure equality of employment and that services are delivered in ways that meet the individual needs of patients and their families.

The post holder must promote equality, diversity and human rights for all and treat others with dignity and respect. No person whether they are staff, patient or visitor should receive less favourable treatment because of their gender, ethnic origin, age, disability, sexual orientation, religion etc.

#### **Quality and Safety**

Patient, service/facility user and staff safety is paramount at Salisbury NHS Foundation Trust. The post holder will promote a just and open culture to reporting of incidents and adverse events.

The post holder should be aware of current health and safety policies of the Trust and are required to co-operate with management and safety representatives on matters relating to the Health and Safety at Work Action, including the Radiation Protection Supervisor. They must attend all mandatory health and safety training. They are also required to maintain a safe working environment for patients, visitors and employees and report any accidents or dangerous incidents promptly. They should use protective clothing and equipment where provided.

#### **Vetting and Barring Scheme**

The Vetting and Barring Scheme was created to ensure that the Trust has the most robust system possible for preventing those who seek to harm children, or vulnerable adults, from gaining access to them through work or volunteering.

It is a criminal offence for someone barred from regulated activity working with vulnerable adults or children to seek this employment. Any employer who knowingly pursues the employment of someone barred from working with vulnerable adults or children are liable

for prosecutions.

### **Infection Control**

To ensure the practice of self and others is at all times compliant with infection control, including hand hygiene policy and procedures. Hand hygiene must be performed before and after contact with patients and their environment. To undertake mandatory annual training/updates in infection prevention and control.

### **Government and Risk**

Adhere to Trust policies, procedures and guidelines. Follow professional and managerial codes of conduct as applicable to the role. Take active steps to prevent theft or fraud in the workplace.

### **Duty of Candour**

The post holder is also required to ensure compliance with the statutory “duty of candour”. This is a legal duty to inform and apologise to patients if there have been mistakes in their care that have led to significant harm. It is aimed at helping patients receive accurate, truthful information from health providers achieving a wholly transparent culture.

### **Data Quality**

The Trust recognises the role of reliable information in the delivery and development of its service and in assuring robust clinical and corporate governance. Data Quality is central to this and the availability of complete, comprehensive, accurate and timely data is an essential component in the provision of high quality health services. It is therefore the responsibility of all staff to ensure that where appropriate, information is recorded, at all times, in line with the Trust’s Policy and Procedures for Data Quality.

To safeguard and promote the welfare of children and young people in compliance with Trust and staff responsibilities under Section 11 of the Children Act 2004; to follow Trust safeguarding children and child protection policies and guidelines and undertake appropriate mandatory training and updates in safeguarding children/child protection.

By following Trust policies in relation to Safeguarding Adults, staff will ensure that they work with other agencies to protect all adults from abuse at any time.

### **Evidence of COVID Vaccination Status**

The Secretary of State for Health and Social care has issued a statement that health and social care workers who are deployed in respect of a CQC regulated activity, who have direct, face-to-face contact with services will need to provide evidence they have been fully vaccinated against COVID-19.

This includes individuals working in non-clinical ancillary roles who enter areas which are utilised for the provision of a CQC-regulated activity as part of their role and who may have social contact with patients, but not directly involved in patient care (e.g. receptionists, ward clerks, porters, and cleaners), regardless of contracted hours or working

arrangements.

In line with this requirement, it is a condition of your employment that before you start work, we must receive acceptable evidence to show that you are either fully vaccinated against COVID-19 or exempt, clinically or participation in a clinical trial.

**Training and Personal Development – continuous professional development**

There is a requirement for all Trust employees to take part in an annual appraisal; this can be in the capacity of facilitating staff appraisals and participating in their own appraisal and development plan.

The post holder must take responsibility in agreement with his/her line manager for his/her own personal development this includes attending all Trust Statutory and Mandatory training allocated for the role.

In addition the post holder must be aware of their education responsibilities within their area of work. All Healthcare Professionals have a responsibility to support and educate students/trainees and other learners in practice.

**Sustainability and Carbon Reduction**

Every member of staff is encouraged to take responsibility for energy consumption and carbon reduction and is expected to incorporate the agenda of sustainability, carbon and health in their daily work.

**Flexible Working**

We support flexible working and will consider requests taking into account the needs of the service.
