

We are currently recruiting Band 5 Paediatric nurses, to work within our Paediatric Emergency Department.

We are looking for passionate and enthusiastic individuals committed to excellent patient experience and care, to join our team.

We have a 24 hour paediatric ED and it is an exciting time as we are shaping the urgent care provisions and the Emergency care for Children and Young People in the Trust.

We encourage staff to develop both clinically and managerially and we provide a comprehensive induction program, preceptorship and in-house training.

All new staff are fully supported by the team, Unit Manager, Matron, Clinical Practice Educators and Clinical Nurse Specialists (Paediatrics).

If you are looking to work within a friendly, dynamic team with enthusiastic colleagues then this is the place to be. Good communication skills and a positive approach to work are essential. We encourage staff to take the opportunities available to develop their skills and their career by promoting rotation throughout our Children's Services. We have close links with the University of Surrey, Kingston University and UWL which has enabled us to develop multi skilled practitioners.
